Globalisation, the evolution of advanced technologies and greater national consistency in the curriculum will be the context for education in the 21st century.

Join leading national and international educationalists, researchers, policy makers and practitioners as they investigate how innovative curricula can unlock the potential of all young people to shape the 21st century.

Explore

➤ Key values and ideas that shape the curriculum
➤ Learning in an interconnected world
➤ Characteristics of a successful learner in the 21st century
➤ Excellence and equity in the curriculum
➤ 21st century expectations of schools and the profession
