For students enrolling in government schools

Schools are required under the Australian Government’s Schools Assistance (Learning Together – Achievement Through Choice and Opportunity) Act 2004 to use the Interstate Student Data Transfer Note (ISDTN) when students enrol from an interstate school. Schools are required to use the ISDTN in accordance with the protocols jointly developed and agreed by the Australian Government, State and Territory Education Authorities, the Independent and Catholic education sectors through the Ministerial Council on Education, Employment, Training and Youth Affairs (see: http://www.mceetya.edu.au/transfernote).

* The principal will consider the enrolment according to policy/procedures of the jurisdiction.
